

## Haileybury College Clothing & Equipment List

### Jungai Eildon 10 x Day – Camp activities/Canoeing/Bushwalking

#### HANDY HINTS:

- All equipment and clothing should be compact and lightweight
- Choose clothing materials which are quick drying (synthetic materials). Cotton doesn't retain body heat if wet and takes a long time to dry.
- The layer principal for clothing is important, dress in a number of thin layers rather than a couple of bulky layers.
- Space is limited, you carry everything on your back. Only bring the essentials we have listed. \* NO AEROSOLS – NO NUTS\*
