

**HANDY HINTS:**

- All equipment and clothing should be compact, lightweight and quick drying (lightweight sports / hiking clothes are great)
- Don't bring cotton clothing (or jeans). These materials don't retain body heat if wet (especially in cold climates) and takes a long time to dry.
- The layer principal for clothing is important, dress in a number of thin layers rather than a couple of bulky layers.
- Space is limited. Only bring the essentials we have listed. \* NO AEROSOLS \*NO NUTS or foods containing nuts \*(OEG is a Nut free provider)
- Check the weather forecast a few days before coming on program, especially the night-time temperature. Pack accordingly.
- OEG in partnership with Australian outdoor brand One Planet have great discounts on outdoor clothing & equipment you can buy for this program. Access to website is at the bottom of your school portal home page under 'One Plant Gear' or here [Products - Camplist](#). You can even get the items home delivered!
